Stalling

Please use the enclosed form to order your stalls. Several stall options/priorities are available to exhibitors. Exhibitors must select which priority level they prefer and note such on the stall request form.

Stalling options are:

Priority 1 - Temporary stalls located in Burnett Building, Cattle Barn #1 or Cattle Barn #2. Temporary stalls may be disassembled (at a charge of \$25.00 per panel) and used to create hospitality areas, farm displays, special exhibits, etc. in conjunction with and adjacent to the stabling of horses entered in the show. Priority stabling offers the opportunity for first choice on favored stabling locations and the option to return to the same location the following year as long as you continue to pay Priority #1 fees. **Price \$200.00 each.** Please indicate your barn preference.

Priority 2 - Temporary metal stalls in the Burnett Building, Cattle Barn #1 or Cattle Barn #2. These may be disassembled. **Price \$160.00 each.** Priority 2 is drawn **AFTER** Priority 1. Please indicate your barn preference.

Priority 1 stall requests POSTMARKED with completed entry forms on or before Wednesday, August 12, 2026, will be drawn/assigned before Priority 2.

Stall Panel Removal

There is a **\$25.00 fee per panel** for any portable stall panels that are removed during the show.

Stall Drawing

Stall drawings for stall locations will take place Thursday, September 3 at 2:00 P.M. and stall assignments will be posted online as soon as possible thereafter.

Deadline for Stall Drawing

Requests must be POSTMARKED on or before Wednesday, August 12, 2026, along with entries in the same envelope or emailed together.

Stall assignments will be done as close to exhibitors' requests as possible. However, there are only so many stalls in each building. Management reserves the right to assign Priority 1 Stalls first to those who paid for and occupied them the previous year. After the Priority 1 stalls are fully assigned by management with exhibitors who requested Priority 1 stalls, all other exhibitor requests will be placed in the stall drawing for the balance of the stalls (Priority 2), including those stall requests that could not be assigned in Priority 1.

Criteria to be used in assigning stalls after Priority 1 is:

1/ place in the draw, 2/ priority area requested, 3/ number of stalls needed and, 4/ number of stalls still unassigned in each Priority area/barn. Unless an exhibitor has requested a lower priority (2 is lower than 1), stalls in the drawing will be first assigned in Priority 1, then in Priority 2.

If you wish to be stalled with another exhibitor(s), all exhibitors involved must note such on all individual stall reservation request/entry forms and **ALL SUCH REQUESTS MUST BE SUBMITTED TOGETHER IN THE SAME ENVELOPE, ALONG WITH APPROPRIATE TOTAL FEES. IF ENTRIES ARE EMAILED, ALL EXHIBITORS WISHING TO BE STALLED TOGETHER MUST EMAIL ENTRIES AT ONE TIME. NO EXCEPTIONS WILL BE MADE.** Such exhibitor requests for groups or blocks of stalls will be CONSIDERED AS ONE when "placed in the hat" for the stall location drawings.

All horses must be stabled and in assigned stalls. Showing from your trailer will not be permitted. Any change in stall assignments must be made and approved by the Show Manager. Anyone using an unassigned stall for grooming, storage, or stalling a horse will be charged a full stall fee for the use of that stall. Anyone not

obtaining their stall assignment from the Show Manager or found to be stalling horses in stalls not paid for will be subject to being disqualified from the show by management.

Stalls for Exhibitors with Special Needs

2026 requirements for requesting Special Needs stalls -

All areas of the Will Rogers facility are handicap accessible. Special requests by Special Needs exhibitors will be considered, however, there will not be a separate special needs drawing. Special Needs stabling requests are for exhibitors only, not spectators or other family members. An exhibitor or trainer requesting Special Needs consideration **MUST** provide one of the following with the AMHA Entry and Stall Form by close of entries date:

1. A copy of the Special Needs exhibitor's Department of Licensing Handicap Parking Identification Card.
2. A copy of a signed letter from the Special Needs Exhibitor's doctor attesting to the individual's Special Needs status.

The information must be for the **EXHIBITORS ONLY**.

Additional letters from your physician may be provided, however, a notation must be placed in the "Other considerations/Comment" section of the Stall Form stating to "see attached note" to have special needs consideration.

Stalling/Feed/Stall Bedding

Stalls, whether occupied by horses, feed, exhibit, or tack, will be available. A limit of two (2) horses per stall will be enforced. One (1) bag of shavings is included in the stall fee.

Complete bedding service is available at the Will Rogers Memorial Center. No shavings may be brought onto the WRMC grounds. All bedding will be delivered directly to the stalls. The shavings office is in Cattle Barn 4 and will be open Tuesday at 7 A.M. There is a kiosk where you pay by credit card and the order goes directly to the shaving's delivery staff. Orders **CANNOT** be accepted over the phone. Orders must be placed in person at the Shavings Office.

Hay and feed is available at the show grounds by calling Russell Feed Center in Ft. Worth- 817.626.8452. Feed and hay items ordered by 2 P.M. will be delivered that same day to the barns at the WRMC. When placing an order, please provide your stall numbers.

Health Requirements

All Texas health requirements must be met. **All horses** are required to have a **TWELVE MONTH** negative Coggins test for Equine Infectious Anemia and an official interstate health certificate valid within 30 days, giving an accurate description of each animal and signed by a licensed inspecting veterinarian. All out-of-state owners should have their veterinarian research and provide them with proper testing and certificates to attend the AMHA World Championship Show in Texas. In addition, all out-of-state owners should have their veterinarians research the health requirements for returning to their home state from Texas when acquiring their health certificate. **Horses will be permitted to unload prior to the checking of health papers. However, all exhibitors are requested not to bring and unload horses that have questionable health or might possibly be experiencing a contagious health problem. All horses entering the Will Rogers facility must have appropriate Coggins and health certificate. Horses in transit (not showing) must bring their health papers prior to unloading, to the Show Office for Inspection. Health papers will be checked at the time horses are measured. NOTE- Show Management may refuse permission for exhibiting to those horses that do not have correct/current health papers issued by a licensed veterinarian. The Show Veterinarian may check and monitor any and all horses coming to the AMHA World Show. State and Federal law**

prohibits the dispensing of medications by a veterinarian without examination of the animal patient(s) which will receive the medication(s).

If exhibitors anticipate that a horse in their charge will need routine medications for the maintenance of a known illness or lameness or for symptomatic relief of a chronic, previously diagnosed lameness or illness, please contact your local veterinarian and obtain these prior to coming to the World Championship Show.

By law, Texas veterinarians are not licensed as dispensing pharmacies and are therefore prohibited from dispensing medications in the absence of an examination of the animal for which the medication is needed. A separate examination fee will be charged for each animal, and any medication dispensed will be for the specific treatment of the animal examined. No exceptions will be made.

Drug Testing

The use of stimulants or depressants or any drug affecting the showing of a horse in halter or performance is strictly forbidden. EXCEPTION: The recommended dose of therapeutic medication necessary for treatment of an illness or injury per a written declaration of a currently licensed veterinarian. This declaration must be presented to the Show Management prior to the exhibition of that horse. When a positive drug test is received by the AMHA officials, the hearing procedure as set out in AMHA Rules and Regulations 160-165A will be followed.

The rules (as outlined in your exhibitor packet) will be followed for the 2026 AMHA World Championship Show. As a condition for participation in the show, every owner, trainer and exhibitor agree to submit any horse entered by same to inspection by a veterinarian appointed by the management and agrees to have such animal submitted to drug test. The Show specifically reserves the right to have tissue, blood, saliva or urine laboratory analysis made on any horse entered for competition.

All Grand and Reserve Grand Champions will be drug tested. Show management may choose to randomly select other classes to be drug tested throughout the event.

Additional breaks or rescheduling breaks will be announced as deemed proper according to the progress of the show. However, IN NO CASE will sessions start earlier than scheduled within the show class list.

There will be no refunds for missed classes. It is the responsibility of the exhibitor to be on the grounds and ready to show on the day and time of his or her scheduled classes (GR-045-B). **The Show Manager will be the sole person authorized to schedule breaks.**

Split Classes

Driving classes will be split by show management for safety according to the class involved and show arena size. Show management will also determine the number of driving horses each judge should select, from each class split, to return for the class finals. Refer to AMHA Show Rules CL-030-E and WS-025-C. If the final run is immediately after the splits, the paddock master will separate and send Split A into the ring followed by Split B with the two-minute gate rule being strictly enforced.

The horses in each split will be posted at least one (1) hour prior to the class. Split classes will be divided at random by a computer. **NOTE:** All horses must compete in the split assigned and posted from the computer printout. Horses violating this mandate may be disqualified from competing in the class.

Note: At the discretion of the AMHA Show Management the “Final Go” of any split driving class may be shown at a later time in the show but will be held on the same day of the original class.

Order of Go

At the discretion of the management of the World Championship and Championship Shows, random go orders may be generated by the computer for judging any classes, both performance and halter.

Reference: WS-027. In each class where individual work occurs (Liberty, Hunter, Jumper, Obstacle Driving, Halter Obstacle, etc.) the computer will be used to randomly create an order of go for the class. Exhibitors should obey the established order of go and be at the gate ready for exhibiting their horse when their number is called by the Paddock Master. **Order of go for all Futurity classes will be posted by 9:00 P.M. the evening prior to the class.**

Two-Minute Gate

The two-minute gate rule (GR-045-B) will be followed.

Tack Changes

A maximum time period of three minutes after the completion of the preceding class will be allowed for tack changes. Tack changes **MUST BE REQUESTED IN ADVANCE** or the two-minute gate rule (GR-045-B) will apply. All tack changes must be made in the holding area/make-up ring and must be pre-scheduled with the Paddock Master. All equipment needed to make the change must be brought to the holding area/make-up ring.

Multiple Hitch Classes-Judging Time

A time estimate for judging the multiple hitch classes may be made each day they are scheduled. These classes will be judged as close to this time as possible and may be moved within the class schedule.

Youth Team & Check –in for Tournament

All Youth entered in Youth classes at the AMHyA World Championship Show are assigned to a Team for participation in the Team Tournament. We encourage the Youth to cheer on and support each other as they compete during their classes. If you have children who will be attending the AMHyA World Championship Show, and are not entered in Youth Classes, but would like to participate in the Youth Activities, PLEASE LET US KNOW by emailing amhayouthcommittee@gmail.com. GELDING INCENTIVE PRO AM TEAM CHALLENGE

Get ready for an exciting new fundraising event supporting the Gelding Incentive Fund! Pro Am Team Challenge brings together one professional and one amateur competitor to form teams and compete in a fun-filled challenge designed to showcase skill, teamwork and the versatility of our amazing miniature horses.

Teams will select their horse partners and go head-to-head in a series of surprise challenges that will test their abilities, creativity and teamwork. The competition may be fierce, but the goal is the same-- supporting the future of our geldings!

A Calcutta auction will add even more excitement as spectators have a chance to bid on their favorite competitors while helping raise funds for the Gelding Incentive Fund. Every dollar raised goes toward awarding thousands of dollars to participating geldings at the AMHA World Show.

Come cheer on your favorite team, enjoy the fun and be part of an event created to celebrate our horses and give back to the breed we love!

There will be a \$5 fee for any copies of Registration papers requested from the AMHA office.

All Horses Must Be Measured or present a valid Regional or Permanent measuring card. For 2026, senior horses will be eligible for the Regional measuring card. The Measuring Officials will supervise measurements. Measuring will take place in a designated area of Cattle Barn 2. Rules GR-020 and WS-028 will be followed.

Note: Measuring Policies

- AMHA has the option to video all measuring.
- After the horse is set up for measuring by the handler, said handler may not touch horse, i.e. stretching head up/forward; moving feet; touching back or pressing down on any part of the back until the measurer removes the measuring stick. Ref: GR-020-E
- Also present at measuring for Championship and World Championship Shows will be an AMHA measuring observer who will be responsible for viewing all measuring and informing the measurer of any problems with the stance of the horse being measured.

Measuring officials will be present for measuring on:

SHOW RULES CLARIFICATIONS

Show Rules Clarification of GR-050 Protests

After research and review, the 2009 Show Rules Committee has unanimously agreed on the following interpretation of GR-050. The AMHA 2009 Board of Directors voted in agreement with the Show Rules Committee in December of 2009. Effective January 1, 2010 the following paragraph will be strictly adhered to. Show Rules Clarification of GR-050 Protests:

“An AMHA horse that does not measure within required height constraints for its age group at a show cannot be protested in attempt for further measurement to enter the show. GR-050 pertains to horses in a show and does not apply to horses that do not meet qualification. Under GR-050 horses that have qualified and been accepted in a show can only be protested one time, per show, for a height challenge.”

Show Rules Committee Clarification of GR-020

At every AMHA Sanctioned Show GR-020 must be posted at the measuring site with a qualifying statement as follows:

“The Official Show Measurer will not attempt to measure the horse until the handler has set the horse, per Show Rule GR-020, and is positioned near the horse, in a kneeling or standing position, not touching the horse with any part of his/her body, and advises the measurer the horse is ready to be measured. The Official Measurer will then attempt to measure the horse. During the measuring process, if the handler touches the horse, the attempt to measure will be stopped, and the handler will be advised the horse cannot be touched during the measuring process.”

2026 Height Protest Rule

WS-028

A. Once show officials have followed the rules for measuring the horse (GR-020) and the horse has been measured, the measurement becomes the official height for that show and is not protestable once the horse enters the ring. The height of the horse will be posted three (3) hours prior to the horse entering the ring. If any horse is shown where the measurement was not posted (except through show management error) in accordance with the above, its height can be protested up to one hour after its class is completed. If a protest is filed, the procedures for protest as outlined in GR-050 must be followed and one single protest measurement will be taken. The AMHyA World Show and AMHA World Show shall be considered separate events but use the same measurement. A horse entering the AMHyA show must be protested prior to its first youth class. At the conclusion of the AMHyA World Show, all results and placings will be considered final. Any horse showing in the AMHA World Show (i.e. Amateur & Open divisions) will be protestable even if it showed in Youth, but the protest must be made prior to the horse's first class in the AMHA World Show Amateur/Open Show. Protests made during the Amateur/Open section of the World Show shall not affect the placings in the AMHyA World Youth Show.

B. Beginning in 1998, World Championship and Championship Shows to use the measuring stick as described in GR-020-B.

Dispute Resolution

Any disputes arising at an AMHA World event shall be adjudicated by Show Management, Show Stewards, the Show Rules Committee and/or the Directors present. Any disrespect of persons arising from a dispute will not be tolerated per **Rules & Regulations 132 and Show Rule GR-045 G** and could result in suspension. While adjudicating and once a ruling on the dispute has been made, any exhibitor continuing to malign the AMHA via social media, disrespectful behavior, etc. will be considered to be engaging in **Rules & Regulations 135 Intent To Malign** and may be subject to disciplinary action which may include fines, suspension or expulsion.

PROCEDURES FOR MEASURING CARDS FOR HORSES AT REGIONAL CHAMPIONSHIP SHOWS.

1. Show Management shall supply a measuring slip for all senior horses attending the Regional Championship Shows.
2. At measuring, each senior horse requesting a measurement card for the World Show shall have a height slip completed by the measuring staff based on the measurement at that Championship Show.
3. Measurements will also be made on the Official Height List which will be mailed to AMHA at the conclusion of the show.
4. Exhibitors with horses with Measurement Slips must bring the Measurement Slip and horse with a copy of the horse's registration papers and health papers to the World Show measuring area first and then go to the Show Office to receive their number.
5. Loss of your measurement card will require that you be re-measured at the AMHA World Show.

Decorations/Signage

Posters, flyers and other printed materials shall not be stapled on any building. Posters must be placed on designated blue bulletin boards. These are the only locations for posting. Signs displayed in other areas, inside or outside, will be removed. Any special signage, and the placement thereof, shall be first approved by the management of the Will Rogers Memorial Center. Nails/screws/bolts may not be driven or placed in the walls or masonry sections of the stalls/barns.
